

Onimisi Sadiq

COMPUTER ENGINEERING STUDENT · UNIVERSITY OF MICHIGAN

📍 Southfield, MI 48034 ✉ bigochukwu@gmail.com ☎ 248-372-0520 🔗 [linkedin.com/in/onimisi-sadiq](https://www.linkedin.com/in/onimisi-sadiq) 🐙 github.com/DesiredOne6

◆ SUMMARY

Computer Engineering student at the University of Michigan pursuing software engineering opportunities in big tech. Experienced in programming across Java, Python, and C++, with hands-on exposure to app development, UI/UX prototyping, and data analysis supporting 50+ clients in a professional consulting environment. Demonstrated leader recognized by RTX x SMASH and multiple academic honors.

◆ EDUCATION

University of Michigan Ann Arbor, MI
B.S.E. in Computer Engineering Expected May 2029
Activities: National Society of Black Engineers, ColorStack

◆ EXPERIENCE

Information Technology Consultant Summer 2023 – Summer 2026
NIBAS & Associates P.C.

- Analyzed client data in QuickBooks across a portfolio of 50+ clients to generate insights supporting informed management strategies.
- Developed an internal app to expedite accounting workflows, currently scaling the solution to additional firms.
- Maintained and updated companies' filing information to ensure accurate, up-to-date records.
- Delivered IT support enabling fast, secure handling and updating of client data.

◆ PROJECTS

Multifunctional Headboard Jan 2026 – Apr 2026
Team Engineering Design & Fabrication Project

- Collaborated on a five-person engineering team to design and build a multifunctional headboard prototype aimed at resolving sleep disruptions for University of Michigan students.
- Applied structured design methods — objective trees, morphological charts, and Pugh matrices — to develop a solution featuring an integrated bookshelf, surge protector, and lamp.
- Used CAD/CAE tools (Ansys Discovery) to run stress simulations confirming a safety factor greater than 10, then fabricated the final product using woodworking techniques.
- Produced comprehensive technical documentation, including progress reports and a final report, while managing milestones via a Gantt chart within a \$100 budget.

◆ LEADERSHIP & ACTIVITIES

Senator Apr 2026 – Present
National Society of Black Engineers · University of Michigan Chapter

- Voted on student-body matters at the National Convention and organized town halls to raise member awareness of regional legislation.
- Coordinated events to strengthen student–faculty connections and amended the Chapter Constitution to reflect current values while honoring founders' intent.

Varsity Basketball Captain Aug 2023 – Mar 2024
Detroit Catholic Central High School

- Committed 20+ hours per week while completing multiple AP courses; led a team of 15 players to the regional finals.
- Nominated to the CHSL All-Academic Honor Team, the BCAM Outstanding Senior Student-Athletes List, and the MHSAA Scholar Athlete Award.

◆ AWARDS & HONORS

- **RTX x SMASH College Scholarship** (Aug 2025) — awarded by RTX in partnership with SMASH to support high-achieving students advancing diversity in tech.
- **AP Scholar with Distinction** (Jun 2025) — scored 3+ on five or more AP exams with an average of at least 3.5.
- **National Recognition for African American Students, 2x** (Aug 2023 & Aug 2024) — scored in the top 10% on the PSAT/NMSQT and earned a 3+ on two or more AP exams.

◆ SKILLS

Programming Languages Java, Python, C++, MATLAB
Tools & Software Figma, QuickBooks, Ansys Discovery, MS Project
